Service for Industrial Weighing Equipment

Weigh In Confidence Only The Best

Sartorius is committed to ISO quality control, and has over 130 years of experience in weighing equipment.

Tailored Service Agreements can be prepared for scales up to six tonnes, batch processing systems, weigh bridges and tank and hopper systems. These offer preventative maintenance in addition to the following options:

- Calibration
- Certificates
- Emergency Call-out Service (24 hours per day / 7 days per week)
- Repairs including Spare Parts (Sartorius Products Only)
- Repairs excluding Spare Parts
- Hire of Scales

- Cleaning and full safety inspection of all functional internal and external parts
- Repairs and calibration to factory standards
- Certificates of accuracy & precision available
- 12 months warranty on parts & labour (only genuine manufacturers' spare parts used)
- Fast emergency call-outs guaranteed
- All service work performed by Sartorius factory-trained and authorised calibration engineers
- 80% completion of first visit repairs

Customers with Service Agreements get:

- 20% discount on workshop repairs
- Reduced emergency call-out charges

Did You Know?

Sartorius has a wealth of expertise with other equipment including:

- Laboratory balances and Moisture analysers
- Centrifuges
- Checkweigher and Metal Detectors
- Vessel and Belt weighing
